**Tuition Payment Policy**

The Sullivan College of Technology and Design is an independent, private, vocational and technical college and does not receive financial support of any kind from sources other than tuition, fees, and donations to scholarships.

The college offers associate and bachelor’s degrees of study. Enrollment agreements for minor age students (under 18 years old) must be signed by a parent or guardian.

Financial arrangements and payment terms must be completed on or before the scheduled date for entrance. No examinations may be taken and no grades may be rendered until all tuition and other fees are in order.

**Official Tuition Reduction Adjustment Policy**

If a student withdraws or is withdrawn from Sullivan College prior to the completion of the program, he/she will be obligated to Sullivan College based on the tuition reduction policy listed in the college’s catalog.

If a student withdraws or is withdrawn and has not paid the nonrefundable percentage of tuition, the remaining unpaid balance of the percentage must still be paid as agreed.

The college expects the student to complete his/her course of study. The program student has 1 1/2 times the normal length of the program (as measured in credit hours) to complete his or her course of study.
